

AWAKITCHENS

SHEEN FINISH

Our sheen range combines a smooth stunning finish with a medium level of gloss and an affordable price tag.

GLOSS FINISH

Gloss finish is perfect for brightening the space as it captures the light and surrounding reflections. The polished perfection giving it a brilliance that is both striking and refined.

SUPER MATT

Super Matt promises an unrivaled anti-fingerprint technology in the purest matt form. The silky smooth finish of Matt creates an inviting and pleasant touch experience, whilst the pure matt surface assures low light reflection, reducing the need for constant care and cleaning.

WOOD GRAIN

Our selected wood grain range always gives you the most beautiful texture with perfect pattern of real timber. It allows you to match the patterns of each panel seamlessly. It's everything you love about timber without timber's challenges.

CLASSIC STYLE

Never has classic been so modern. Get inspired by the variety of the world classic style profiled panel. AWA Kitchens will impress you with how to create a new look out of a combination of traditional and modern design.

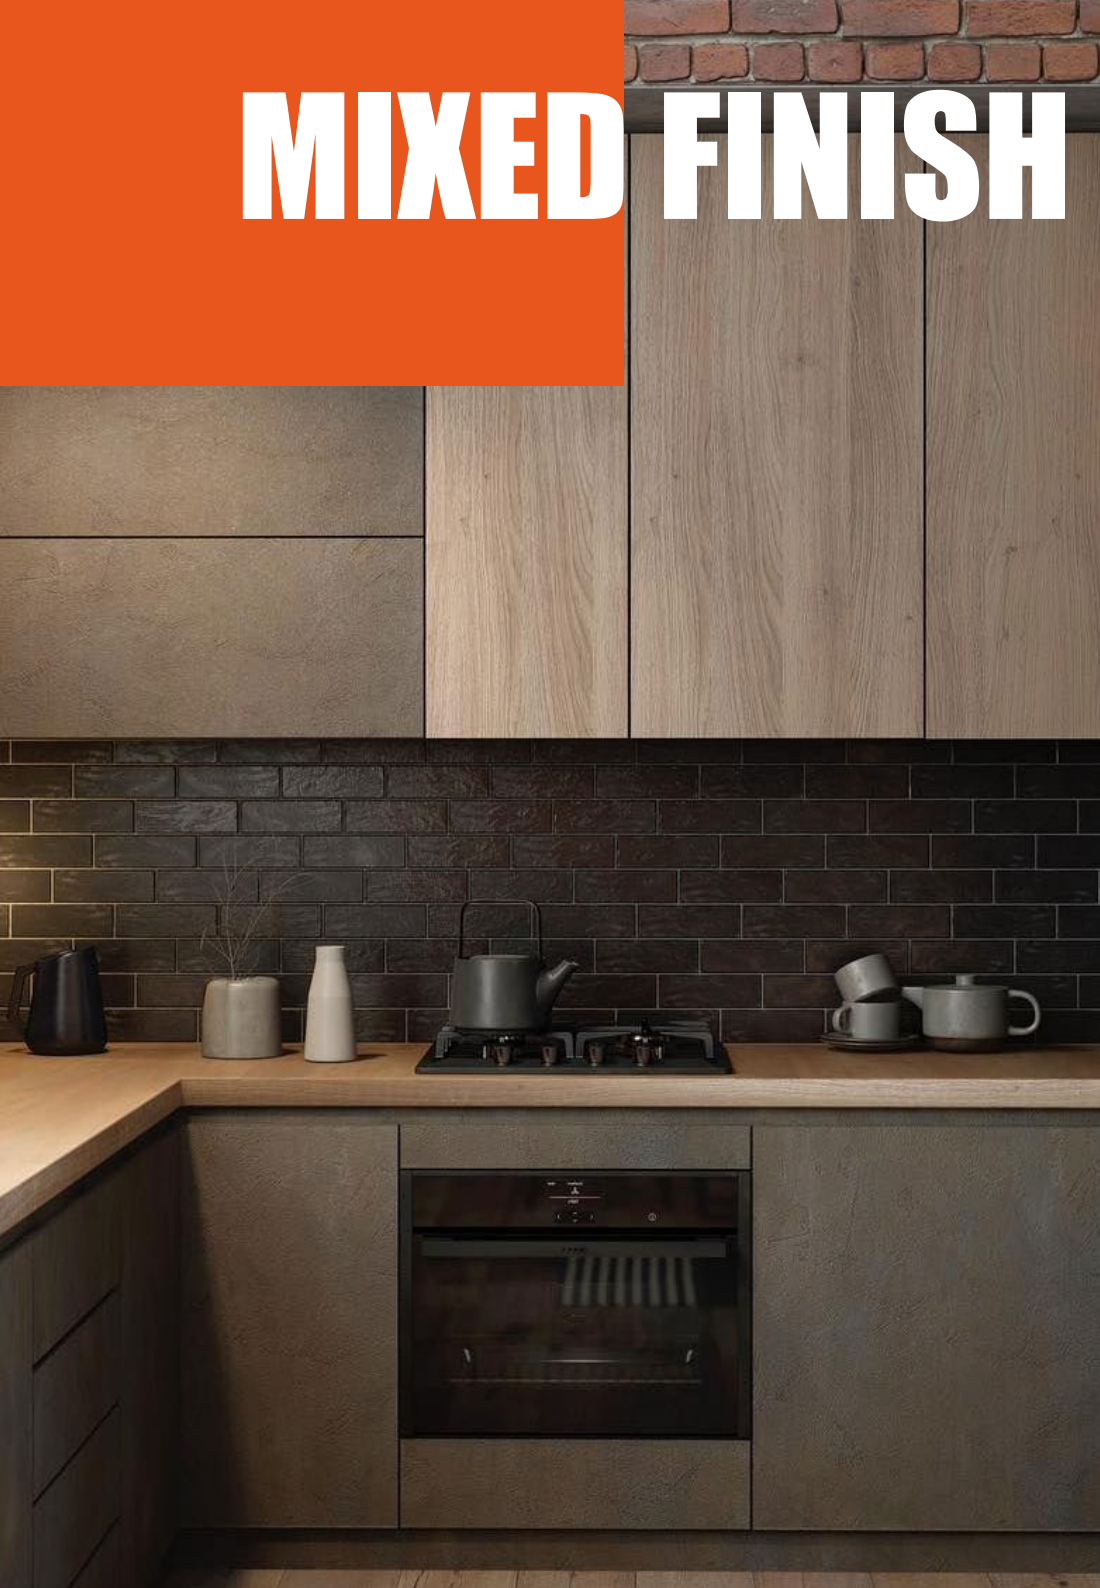

MIXED FINISH

Mixed finish allows you to extend the possibilities of interior design. With opportunities to play with countless colours and textures, you can combine the beauty of different styles and create spaces that are one of its own kind.

MIXED FINISH

OTHER SPACES

AWA Kitchens also provides custom cabinets for all rooms and spaces to suit your need. Making the design consistency possible for your entire home.

The image features a background of vertical wood planks in various shades of brown, from light tan to dark chocolate. Overlaid on this background is the text 'FINISH COLLECTION' in a large, bold, white, sans-serif font. The text is centered horizontally and spans across several planks.

The image features a background with a marbled pattern, consisting of irregular, flowing veins of light beige and cream colors against a slightly darker, muted beige base. The texture is organic and resembles natural stone or high-quality paper. Centered horizontally and vertically is the word "STONE" in a large, bold, white, sans-serif typeface. The letters are thick and have a clean, modern feel, standing out prominently against the complex, textured background.
